

**PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA**

**CLERK'S OFFICE**

**NOTICE OF FILING**

**DOCKET NO. 2017-338-T**

Pursuant to 10 S.C. Code Ann. Regs. 103-190, et. seq., and pursuant to Title 58, Chapter 23 of the South Carolina Code, specifically S.C. Code Ann. §§58-23-1010, 58-23-20, 58-23-590, and the Rules and Regulations of the Public Service Commission (the Commission), the South Carolina Tariff Bureau, Inc., Post Office Box 926, Blythewood, South Carolina 29016 has filed an Application with the Public Service Commission of South Carolina (the Commission) to amend its tariff currently on file with the Commission. A summary of proposed changes to the Company's tariff are as follows:

Rule 2: The addition of a section to include Electronic documentation.

C) "Electronic format of the above mentioned documents will be an acceptable format for paperwork between Carrier, Customer, Office of Regulatory Staff and Public Service Commission."

Rule 3 Section b: Minimum Valuation shall be declared at \$6.00 times the weight of the shipment and stated in dollars and cents. This removes the FMCSA released rates under MC-No. 02 of January 29, 1936, which was felt to be obsolete and difficult to find.

Rule 4 Section b: Delete section as follows "at origin or any point within a radius of 10 miles." The Tariff Bureau is of the opinion the current language was too specific and unnecessary based on current scale availability.

Rule 9: Removal of the Declared Valuation, which was rarely used, leaving the option of Full Value and .60/LB.

Rule 10 section c: This section should read "When the articles of furniture, consisting wholly or in part of glass is covered or wrapped by the shipper or his agents, such articles shall be wrapped in a manner to clearly PROTECT exposed glass surfaces or glass portions." The word "Protect" is being omitted due to a clerical error.

Rule 16 Section 9: Holding fee to now read: "\$150.00 per day with a 5 day maximum when held on a trailer or van."

Rule 20 Note a: A Credit Card has been added as an acceptable form of payment.

Note g: Revision includes a 3% charge for use of Credit Card.

Rule 27: Charge for a re-weight increased from \$57.45 to \$75.00.

Rule 29: Tariff amended to reflect correct item numbers as 130,135, and 155.

Item 110: Packing/unpacking charge

Flat Screen Televisions

Up to 39" \$55.00

40"-65" \$100.00

Over 65 and Curved TV to be crated

Grandfather Clock carton- \$50.00

Item 116: Removal of the Satellite Television/Radio Receiving Discs/dishes section in its entirety as well as the Widescreen TV section.

To account for the removal of the Widescreen TV section, per a suggestion, we increased the descriptive nature of section 116 to read as follows:

Televisions: Handling charge  
Plasma-\$150.00  
Rear Projection-\$88.20

In addition to the above listed changes, an overall 12% increase was approved with a 17% increase for the transportation rate schedule. This 17% includes rolling the first 5% fuel surcharge into the schedule in Item 190 note 4 and starting the additional Fuel Surcharge once fuel costs reach \$2.15.

Numbers were rounded to whole or half dollars to make calculations much easier.
